

MARULA POMEGRANATE GIN

- Origin: Belgium
- Alcohol: 40 %
- Contents: 500 ml
- Gin Type: Distilled Gin
- Gin Color: Pink

- Botanicals:
juniper,
marula fruit,
pomegranate,
rose petals,
coriander,
lavender

Marula Pomegranate is a sensual, mellow, accessible gin with a soft pink colour. Marula Pomegranate is strikingly sweet and has aromas of red fruits such as raspberry, wild strawberry and blackberry. The Pomegranate variant is based on Marula gin with pomegranate as the main flavouring and therefore contains the same basic ingredients.

Marula Pomegranate is distilled three times and is highly quaffable.
